

Hello,

This is our home learning class page, yes, all my classes are on one page so watch for titles of things. Class names will always be stated first so there is no confusion.

I have provided you work to keep you flowing in the course as if we were sitting in our awesome class together learning the content as a team!

Don't worry, I am still here for you, you can message me anytime from 8:30-4:00pm. I am here for you!

If you want me to see the work you have done you can email it to me. Or if you do the work on paper and want me to see it you can take a photo of it to send to me. Just please, make sure I can understand the words on the paper (you know who you are ).

Do not stress over work, this is up to you if you want to send it to me or not.

I am here for you and will miss you all dearly during this time.

Mrs. Metallic 😊

**Please see your instructions below.**

## Instructions

The questions below are to be answered in full sentences. Please don't forget to bold the question, not the answer. If the question is simple a true or false answer, just put true or false, there is no need for a full sentence.

**Answer the questions right underneath the question on the document given or make a new document.**

I am aware that some of you may not have your books with you at home. You can find all this information online or simply from your memory of what you were taught. If you take answers offline, **I do not expect** you to cite, but I do expect you to put the content in your own words. **I have put the questions below incase the file I sent you does not open.**

**Questions are below 😊**
