

## Theater Arts 120

This week we are going to start looking at musicals! This is one of my favourite units in Theater Arts and I am so sad that we can not do it all together.

This weeks assignment is simple – watch a musical! Here is a list of some ideas:

- Meet me in St. Louis
- The Sound of Music
- Mary Poppins
- West Side Story
- A Star is Born
- The Wizard of Oz
- Singin' in The Rain
- High School Musical
- Mama Mia
- The Greatest Showman

There are many others to choose from!

Before you watch your chosen musical, do a little bit of research on what makes a great musical; take notes and use that to watch your chosen musical critically.

Once completed, send me your research notes (including the references) and your notes on the musical that you chose to watch (including the title of the musical).

This assignment will help to make your final assignment a lot less stressful! 😊

Make sure to send me your work for feedback! [Jessica.doucet@nbed.nb.ca](mailto:Jessica.doucet@nbed.nb.ca)

Have a great week!! I can't wait to hear all about your musical choices!
