

## Theater Arts 120

For this assignment we are going to look at another play put on by the National Theater. It came out Thursday, April 30<sup>th</sup> @3pm and will be available until Thursday, May 7<sup>th</sup> @3pm.

This next play is *Frankenstein* that stars Benedict Cumberbatch as the creature. Here is short synopsis from their YouTube page:

“Childlike in his innocence but grotesque in form, Frankenstein’s bewildered creature is cast out into a hostile universe by his horror-struck maker. Meeting with cruelty wherever he goes, the increasingly desperate and vengeful Creature determines to track down his creator and strike a terrifying deal.”

For this assignment, I want you to watch the play, jot down anything that stood out to you – characters, stage design, music in a scene, a certain costume – and then tell me why.

Also, give me your specific thoughts on the play; did you like it? Why or why not?

Here is the link to the play:
