Hello,

I hope everyone is well and taking advantage of this time to be with family and loved ones. Time is precious, appreciate every moment.

Week 8

Reading, Writing, and Listening Activities

1. I am sending **two** resource links which you must read carefully, and follow along, as you go to links, watch videos and respond to the questions. When you must respond or write a paragraph, etc.... you still write it on word to send it to me.

Writing Activities

1. Complete **five** glossary word entries.
 31. musician
 32. nonliving
 33. overpower
 34. performance
 35. prehistoric

Here is an example in case you forgot how to continue the process.
You can use the example as a checklist to make sure you have completed all the steps.

Checklist/Example: What is the definition of the glossary word?
Does the word have a prefix or a suffix or both?
What is the root word?
What are some other words related to the root word (find 2)?
Write a sentence using the glossary word (it may be written using different suffixes).

Example of a completed word:

Antifreeze - a liquid, typically one based on ethylene glycol, that can be added to water to lower the freezing point, chiefly used in the radiator of a motor vehicle.

Prefix –anti which means opposed to or against.
The root word is freeze.

Two other related words are: freezes, freezing

The Bay of Chaleur does not freeze completely, during our long, cold New Brunswick winters.

****As a challenge ask your parents, guardians, siblings, or friends to make up a sentence using the glossary word also, or see if they are able to define the word, spell the word, or tell you what the prefix or suffix is.****

2. I would like you to add one statement and an expression to your gratitude journal.
