Home Learning for Week of June 1 - 5

Find a **dessert recipe** online or in a cookbook and make it for you and your family to try.

Take a picture of yourself while you are making the dish, and another of the prepared dish.

Using a scale from 1 to 5, with 1 being the least and 5 being the most, rate the dish on:

- A. Number of ingredients required
- B. How healthy the recipe is
- C. Time it took to prepare
- D. How easy the recipe was to follow
- E. Taste (ask your family's opinion, too!)
- F. How likely you are to make this recipe again

Send your ratings and your pictures to shanna.hicks@nbed.nb.ca. *If you would like, I am open to using Facebook Messenger.*
