Graduating Class of 2021!!

We are pleased to announce our Graduation Plans for the Class of 2021! Following the guidelines and approval of the Chief Medical Office and the Department of Education and Early Childhood Development, we have developed a plan that will honour our Graduates!

Due to the uncertainty in regards to COVID-19, ASD-N has instructed all High Schools to maintain a similar approach to graduation ceremonies that was witnessed last year.

With this being said, SSHS will replicate our Graduation Ceremony from our Operational Plan of the past Graduating Year. We will go to the individual homes of our Graduates and present the Diploma's. This will mean that we will respect the Guidelines of Public Health and it will permit our Graduates to share their experience with their immediate family present as the Diploma is presented.

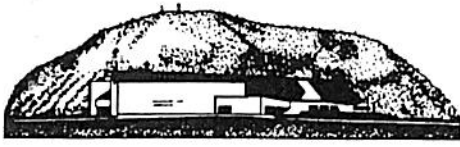

On Tuesday, June 22nd (Rain Date – June 23rd) Mr. O'Toole and Mr. Ryan will be delivering Diplomas via the SSHS Bus directly to the Graduates at their homes. SSHS Staff will be accompanying the Celebration and we will be supported by the local agencies (police/fire) to guide us through each community!

More details will be coming, but we wanted to let you know of our plans.

There will be no Proms, Safe Grad or Graduation Banquet this year as directed by the Department of Education and Early Childhood Development.

Sincerely Yours,

Michael O'Toole
Principal

2021 Grad Activities*

Dear 2021 Graduates of SSHS,

We know this year has been disappointing on many levels and has been a graduation year unlike any other. Our graduates have expressed disappointment about not being able to gather as a group for classes, meetings and other celebrations. To help graduates feel some sense of normalcy and gather as the SSHS Grad Class of 2021, we are planning to hold a Physically Distanced Grad Activity on May 26th. This will be a day of events just for the Grad Class only. There will be no school for the Grade 9, 10 and 11 students. Lunch will also be provided on May 26th.
